PRACTITIONERS

Look for the people wearing *purple stoles* whenever you are at the Center for Spiritual Living Seattle. These are the people who love to support you in prayer! Prayer Practitioners are trained and licensed to provide prayer support in the moment or through longer, private, individual sessions.

Using affirmative prayer, Practitioners support you when you go through difficult times or when you want sustained support for your spiritual growth. Practitioners begin with the idea that you are already perfect and then assist you to reveal that perfection!

What is a Practitioner?

A Science of Mind Prayer Practitioner is a licensed spiritual support person trained to apply affirmative prayer to life's challenges.

If you would like to become the client of a Practitioner and have a private session, there will be a fee which is set by the individual Practitioner. It can range from \$50 to \$150 or more per session. Some Practitioners have a sliding scale. Just ask them what their rate is and they will let you know what options are available.

What is affirmative prayer?

This is prayer that brings our thinking and feeling into alignment with the truth that infinite Good surrounds us always in the form of love, harmony, peace, wellness, abundance, prosperity, and any Good we can imagine.
